Education

Bachelor of Engineering in Computer Science and Engineering (Data Science)	CGPA: 8.85/10
Ballari Institute of Technology and Management (BITM), Ballari, Karnataka	2025 – 2029
Vasishta PU College	85%
Crescent English Medium High School	93%
	2023

Technical Skills

Programming Languages	C, Python, Java
Tools	Git, VS Code
Other Skills	AI, Data Analyst

Projects

Smart Water Tap	<i>Arduino, Sensors</i>
- Developed a hardware-based smart water tap using Arduino and sensors. - Designed the project as an automated water-management solution using sensor-based control.	
Smart Dustbin	<i>Arduino, Sensors</i>
- Developed a hardware-based smart dustbin using Arduino and sensors. - Implemented sensor-based functionality for automated operation of the dustbin.	
Hostel Management Software	<i>Hardware Project</i>
- Developed a hardware-based project related to hostel management. - Worked on the project as a completely hardware-oriented implementation.	

Achievements & Activities

- Participated in hackathons.

Languages
